

Redmine - Feature #3141

User can choose the events for email notifications

2009-04-08 11:35 - Chiara Canavera

Status:	New	Start date:	2009-04-08
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description I suggest to add the chance for a user to decide the different kinds of events he wants to be notified of. For example a user could be notified only of issue openings and not all the updates (a customer, for example)

+1

Yes this would be a nice feature! Perhaps also a timeout could be implemented where Notifications are summarized into 1 email, so you don't get an email every minute!

#4 - 2011-03-23 10:52 - Toshi MARUYAMA

- Category set to Email notifications

#5 - 2012-09-30 17:47 - yac yac
