| **Description** |
|---|
| Writing Redmine 2.x plugins<br>Tutorial <- page no longer exists. redirects to http://www.gogolek.co.uk/blog/2012/09/writing-redmine-2-x-plugins-tutorial/. I used that link a lot and it would be nice to get the content and keep it here for maintenance!!** |

## History

**#1 - 2019-06-27 13:33 - Jan Niggemann (redmine.org team member)**

*- Description updated*

*- Status changed from New to Closed*

*- Resolution set to Wont fix*

Thank you for making us aware of this issue.
The page you're referring to was a private page that is now gone - there is simply nothing the redmine team can do about it.

Even if we could somehow get hold of the content, we can not simply take someone else's work and publish it on our website without proper permission of the original author.
