Redmine - Defect #31466

Error assigning a task to a user whose role does not allow it

2019-05-28 14:01 - Miguel Rodriguez Hernando

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues permissions		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	3.3.1

Description

Hi,

We have found an error in the roles of the users.

we have a user called for example "*user1*" with a "*reporter*" role but in this role the option "*Issues can be assigned to this role*" is disabled.
It happens that another user with a "*developer*" role or any other user that can assign tasks to another user, allows you to assign it to "user1" when it should not be possible because the latter belongs to the role of "reporter".

This is our environment:

Redmine version 3.3.1.stable
Ruby version 2.3.3-p222 (2016-11-21) [x86_64-linux-gnu]
Rails version 4.2.7.1
Environment production
Database adapter Mysql2
SCM:
Git 2.11.0
Filesystem
Redmine plugins:
no plugin installed

Best regards

History

#1 - 2019-06-20 13:18 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Duplicate

The author of an issue can always be set as an assignee. This is an intended behavior implemented in r4240.

Closing as a duplicate of #30771.

#2 - 2019-06-20 13:19 - Go MAEDA

- Is duplicate of Defect #30771: Author of issue is listed at assignee drop box added
