Description	
It would be useful to be able to edit descriptions of files after they have been uploaded. Currently you have to delete the file, upload it again, and give it a different description.

History

#1 - 2009-12-30 19:13 - Jos Accapadi

+1 If someone forgets to add the version, no way to go back and edit or update version

#2 - 2010-05-19 16:36 - Daniel Luedemann

+1, that would be great!

#3 - 2010-08-24 19:25 - Jose Esteva

I believe that is very important to collaborative work!

#4 - 2012-04-16 14:45 - Sergey Startsev

Very useful... and with lightbox plugin too

#5 - 2014-06-24 12:47 - Benjamin Agger

+1
