

Redmine - Defect #31551

Missing filter options and checklist templates

2019-06-11 11:11 - Chris Gissel

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	3.3.5
Resolution:	Invalid		
<div>Description</div> <div>Since the beginning of june 2019 the options for filtering and choosing a prepared checklist template are no longer visible. The source code shows, that the div for the options is still display:block, hover nothing is displayed.</div> <div>Is this due to a recent update and the older version?</div>			

History

- #1 - 2019-06-29 11:21 - Go MAEDA
- Status changed from New to Closed

- Resolution set to Invalid

Please contact the author of the plugin. Redmine does not have a "checklist" feature.
