

## Redmine - Patch #31573

### Show each journal entry from issue history in a box

2019-06-16 16:35 - Marius BĂLTEANU

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Marius BĂLTEANU	<b>% Done:</b>	0%
<b>Category:</b>	UI	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Description</b>			
<p>IMHO, the issue history doesn't have a clear structure, you need to look after each Gravatar or "Updated by" line to see where the journal starts/ends. In top, there is a border applied on the entire block (left, right and bottom) in order to prevent accidental deletion of an issue (<a href="#">#26662</a>), but for me, even if fixes the confusion with delete buttons, it makes the journal entries harder to be distinguished.</p> <p>I would like to propose the following design changes for the issue history:</p> <ol style="list-style-type: none"><li>1. Show each journal entry in a box (like projects)</li><li>2. Connect each journal entry with a small line</li><li>3. Apply the red border for the private journals on the entire journal, not only on the text.</li></ol> <p>I'm attaching the patches and the screenshots with before and after.</p> <p>Current: issue_history.png</p> <p>After new_issue_history.png</p> <p>If you like the changes, I think it will be nice to deliver them in <a href="#">4.1.0</a>, together with the other UI changes.</p>

Updated the patch series. Screenshots attached.

**#11 - 2019-06-25 16:39 - Dmitry Makurin**

I would keep journal h4 bottom border since it clearly separates h4' text/contextual with notes content.
