

Redmine - Defect #31587

Time Entries REST API user_id parameter doesn't work

2019-06-18 18:10 - Serhiy Valchuk

Status:	Needs feedback	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	REST API	Estimated time:	0.00 hour
Target version:		Affected version:	2.1.2
Resolution:			
Description			
<p>I'm trying to use Time Entries REST API and it works as expected except user_id parameter.</p> <p>When I tried to get time entries https://myredmine/time_entries.json?key=mykey&#38;from=2019-06-01&#38;to=2019-06-30&#38;limit=5&#38;user_id=5 I'm getting time entries of all existing users.</p> <p>Any suggestions?</p>			

History

#1 - 2019-12-08 07:16 - Go MAEDA

- Status changed from New to Needs feedback

I cannot reproduce the issue with Redmine 4.0.5.devel.19345. The following request returns time entries of user_id 2.

```
curl 'http://redmine-trunk.test/time_entries.json?from=2000-01-01&to=2019-12-31&user_id=2'
```
