Could you provide raw email (.eml format) which can reproduce the problem?

#2 - 2019-06-29 14:21 - Carsten Schuette

Sure, I can send you the email where I took the screenshots - but only to a private Email address as the content is somewhat internal and not for a public issue tracker.

I would like you to create an email with dummy content in order to share on www.redmine.org. Maybe the raw email will be included in the test suite.
