

Redmine - Defect #31769

{{toc}} in {{include(...)}}

2019-07-22 11:48 - Stefan Lindner

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Wiki	Estimated time:	0.00 hour
Target version:		Affected version:	4.0.4
Resolution:			
Description We have a wiki page that includes two other pages. The first one of the included pages has a {{toc}} macro. This toc macro collects ALL content not only the contont of the first included page.
