Description

Hey,

I can't filter projects as normal user by Client and Project Manager. Other filters works perfectly. I can filter as admin but not as normal user. Do you have any clue how to solve it?

Here is output from log (i think so):

Started GET "/queries/filter?type=FavoriteProjectsQuery&name=cf_13" for 192.168.1.10 at 2019-07-22 16:32:25 +0200
Processing by QueriesController#filter as JSON
Parameters: {"type"=>"FavoriteProjectsQuery", "name"=>"cf_13"}
