

Redmine - Defect #3183

Fix the behavior after choosing the "Watch" link in Issues screen

2009-04-15 23:40 - Gal Cohen

Status:	Closed	Start date:	2009-04-15
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	0.8.3
Resolution:	Cant reproduce		
Description When pressing the "Watch" link the browser is refreshed and an empty page appears. The correct behavior should be: 1. The page should remain 2. the link "Watch" should be exchanged with "Unwatch" 3. The logic of watch/unwatch should take affect			

History

This is the expected behaviour when javascript is enabled in your browser.
Which browser do you use?

#2 - 2013-01-04 16:40 - Daniel Felix

Well in the current IE9, Firefox and Safari with activated JavaScript everything seems to be ok. Is this still reproduceable?

Best regards,
Daniel

#3 - 2013-05-11 03:46 - Jean-Baptiste Barth

- Status changed from New to Closed
- Resolution set to Cant reproduce

No feedback + this is OK according to Daniel, I close this issue.
