Redmine - Defect #31936

Cannot download issue-attachments that contains one or more "+" (Plus Sign) characters

2019-08-22 14:16 - Rahul Patil

Status:	New		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Attachments		**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	4.0.4

Description

To recreate it - just create an Issue, create a text file with any name containing "+" (plus sign) e.g. "Test+File.txt" and attach that file to the issue and submit.
After that open that issue, and try to download that file. It will show "404 - File or directory not found." error.
Then edit the attachments - rename the file to "Test_File.txt", and then try downloading it - it will get downloaded without any issues.

History

#1 - 2019-08-22 14:27 - Rahul Patil

- File Test+File.txt added

#2 - 2019-08-22 14:41 - Rahul Patil

Environment:
Redmine version   4.0.4.stable
Ruby version   2.5.5-p157 (2019-03-15) [x64-mingw32]
