Removing the target version.

Since `test_edit_should_not_show_custom_fields_not_visible_for_user` was added by [#31859](#), the reported error does not affect to 4.0-stable. [r18422](#) should be considered as a part of [#31859](#).

- *Related to Feature #31859: Per role visibility settings for spent time custom fields added*
