Redmine - Feature #3201

Workflow Check/Uncheck All Rows/Columns

2009-04-18 14:50 - Anonymous

Status:	Closed		**Start date:**	2009-04-18
Priority:	Low		**Due date:**	
Assignee:			**% Done:**	0%
Category:	UI		**Estimated time:**	0.00 hour
Target version:	1.0.0 (RC)			
Resolution:	Fixed			

Description

When editing the workflow there's **Check all** | **Uncheck all** links, I'd like to have the same functionality per row and per column as well.

Associated revisions

Revision 3694 - 2010-04-27 19:54 - Jean-Philippe Lang

Add "Check/Unckeck all" buttons to rows and columns on workflow edit screen (#3201).

History

#1 - 2010-04-27 18:57 - Daniel Miller

+1 because in some schools of thought closed can never transition to any other state and no state can ever transition this issue to new. (Updating some field such as "resolved in multiple versions/targets/branches" could automatically create subissues that have the new state, one for each version/target/branch, but those subissues are not this issue's state-machine.)

#2 - 2010-04-27 19:50 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 1.0.0 (RC)

- Resolution set to Fixed

Feature added in r3694.
