Remove unnecessary vertical scroll bar from gantt (#32019, #27672).

Patch by Antonio McDeal.

History

#1 - 2019-09-05 02:18 - Go MAEDA

- Target version set to 4.1.0

The vertical scrollbar in the gantt is useless even when there are many issues. I think it is no problem to remove it.

Setting the target version to 4.1.0.
