

Redmine - Patch #32105

Context menu to match the rest of the flyout styling

2019-09-21 22:52 - Anonymous

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:			
Description This patch: <ul style="list-style-type: none">- Sets fly-out context menu to have border radius of 3px (instead of formerly 2px)- Removes some unnecessary styling rules from ul and li elements, instead moving them to their far inner a children elements instead where it makes more sense (to avoid inconsistent styling)- Hover elements now match the color of the project selector fly-out- Adds a light box shadow to the fly-out menu- Adds gray-scale filter to disabled elements, in order to gray-out even the icons (except the checkbox, gray-scale filter doesn't work in IE11 though, so it would still behave in there just like before the patch)- Adds slight animation to the arrow <div>context1.png context2.png context3.png</div>
