- Has duplicate Patch #32145: Update locales for Vietnamese added

#2 - 2019-10-06 04:04 - Go MAEDA

Thank you for translating so many strings. I am posting a patch file against r18542. The patch was generated from your work.

I found that the patch not only translates untranslated strings but also updates some existing translations. Could you explain the detail of the changes and the reason for the changes?

#3 - 2019-10-06 04:13 - Go MAEDA

- File 32163.patch added

#4 - 2023-10-27 05:43 - Go MAEDA

- Status changed from New to Closed

I am closing this issue because the updated patch in #32145 has been committed.
