Redmine - Defect #32168

Allow issue id with "#" prefix for the value of issue ids filter

2019-09-29 03:27 - Go MAEDA

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Issues filter	**Estimated time:**	0.00 hour
Target version:	Candidate for next major release		
Resolution:		**Affected version:**	

Description

I found an inconsistent behavior regarding issues filter.

"Parent task" and "Subtasks" filter accept issue ids with "#" prefix (e.g. #123), however, "Issues" filter does not. I think "Issues" filter should also behave the same.

Filter value	"Parent task" / "Subtasks" filter	"Issue" filter
10,11	OK	OK
#10,#11	OK	"Issue is invalid" error
10, 11	OK	"Issue is invalid" error
