

## Redmine - Defect #32305

### Use of notextile tag disables Redmine revision links

2019-10-20 07:29 - Mischa The Evil

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Text formatting	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>			
<b>Description</b>			
<p>As observed [yet] only on redmine.org (see <a href="#">#29482#note-90</a> and <a href="#">#29482#note-91</a>), comments (in this case issue notes) having the following structure does not render the revision as a link:</p>			
<pre>&lt;notextile&gt;@&lt;/notextile&gt;User One: Some text before @some code@ before <i>_some italic text_</i> before a revision link like rDDDD.</pre>			
<p>while comments where this line is quoted like follows does render the revision link as expected:</p>			
<pre>User One wrote: &gt; &lt;notextile&gt;@&lt;/notextile&gt;User One: Some text before @some code@ before <i>_some italic text_</i> before a revision link like rDDDD.</pre>			
<p>This should be triaged on current Redmine versions.</p>
