Redmine - Defect #32500

Spent time report csv shows translation missing text if custom fields are involved

2019-11-21 17:50 - Guillermo ML

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Go MAEDA		**% Done:**	0%
Category:	Time tracking		**Estimated time:**	0.00 hour
Target version:	4.0.6			
Resolution:	Fixed		**Affected version:**	4.0.5

Description

To reproduce the error:

1. Create a spent time's custom field (list format) with two values. In this example it was named *Perfil*, with values *Perfil1* and *Perfil2*
2. Log some time, with different *Perfil* values.
3. Go to Spent Time > Report
4. Group by custom field *Perfil*

The report on the page looks fine, but if you export it using the CSV link it shows a <u>translation missing: en.Perfil</u> message at first column, first row:

error.translation-missing.timelog.csv.png

If you choose another language the message will change accordingly: translation missing: es.Perfil, translation missing: gl.Perfil, etc...

My environment:

```
Environment:
  Redmine version              4.0.5.stable
  Ruby version                 2.5.7-p206 (2019-10-01) [x86_64-linux]
  Rails version                5.2.3
  Environment                  production
  Database adapter             Mysql2
  Mailer queue                 ActiveJob::QueueAdapters::AsyncAdapter
  Mailer delivery              smtp
SCM:
  Subversion                   1.12.2
  Cvs                          1.12.13
  Git                          2.19.1
  Filesystem

#3 - 2019-12-05 08:30 - Go MAEDA

- Category changed from Custom fields to Time tracking

- Target version set to 4.0.6

I have confirmed that the patch fixes the issue.

Setting the target version to 4.0.6.

#4 - 2019-12-05 16:20 - Guillermo ML

> I have confirmed that the patch fixes the issue.

The patch also worked for us. Now it shows *Perfil* instead of *translation missing: en.Perfil*. CSV output is the same as html.
Many thanks to Yuichi HARADA and Go MAEDA.

#5 - 2019-12-06 01:28 - Go MAEDA

- Status changed from Confirmed to Closed

- Assignee set to Go MAEDA

- Resolution set to Fixed

Committed the fix. Thank you all for your contribution.
