- Status changed from New to Closed

I don't know why puma version is defined.
"rake test:system" passed on my CentOS7, ruby 2.3.8, and ChromeDriver 77.0.3865.40.
So I deleted puma version on [r19338](#).
Thanks.

#4 - 2019-12-08 17:29 - Toshi MARUYAMA

Redmine gem version policy is not defined except Ruby version incompatibility.
And puma is test group, so I think version is not needed.
