<b>Description</b>			
For <a href="#">WikiControllerTest#test_update_with_deleted_attachment_ids</a> and <a href="#">WikiControllerTest#test_update_with_deleted_attachment_ids_and_failure_should_preserve_selected_attachments</a> , the files under <b>test/fixtures/files/</b> may be deleted depending on the test execution order. Need to call set_tmp_attachments_directory as follows.
