Description

#32343 added a feature to filter roles in permissions report.

The feature is useful but it is tiresome to uncheck unnecessary roles if there are many roles. Adding Check all / Uncheck all button that we already have in other pages will help to resolve it.

Associated revisions

Revision 19497 - 2020-02-06 01:44 - Go MAEDA

Add Check all / Uncheck all button to filters in permissions report (#32672).

Patch by Mizuki ISHIKAWA.

History

#1 - 2020-02-04 06:03 - Mizuki ISHIKAWA

The Check all / Uncheck all button is added by making the changes below.
