Redmine - Patch #32847

Ability to add custom css classes to body tag

2020-01-21 10:44 - Aleksandar Pavic

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Plugin API	**Estimated time:**	0.00 hour
Target version:			

Description

This ability is important for plugin developers to avoid unnecessary use of deface gem.

If it's going to be implemented, also wiki page for plugin developers should
be updated, accordingly.

History

#1 - 2020-02-11 16:14 - Holger Just

The changed body_css_classes method is unfortunately not idempotent. Each call of the changed method will add the "normal" classes to the @css instance variable. Thus, if you call the method two times, the list of classes be doubled.
