| Description | | | |
| The current portuguese translation for <i>issue</i> is <i>tarefa</i> , and the current translation for <i>parent issue</i> is <i>tarefa pai</i> . | | | |
| In portuguese language, <i>tarefa</i> is a feminine word, so it doesn't agree with <i>pai</i> (which means "father", not "parent"). This patch fixes the portuguese of <i>parent issue</i> with the correct grammatical agreement. | | | |
