Description			
<p>The project-menu item (tab) doesn't highlight correctly in version 1.0 of the Simple-CI plugin.</p> <p>I'd like to propose the following fix for it. Change source:/plugins/simple_ci/init.rb#L44 from:</p> <pre>menu :project_menu, 'Integration', :controller => 'simple_ci', :action => 'show'</pre> <p>to:</p> <pre>menu :project_menu, :simple_ci, { :controller => 'simple_ci', :action => 'show' }, :caption => 'Integration'</pre> <p>This fix will affect the CSS class-names thus it can break third-party code relying on the currently used class-name Integration. My proposed fix will change this class-name to simple-ci.</p>
