Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Website (redmine.org)	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Invalid	**Affected version:**	

Description

I made an account on http://demo.redmine.org/ and I was using it for issue tracking for several projects. It was working fine till yesterday but today I found out that my complete account data has been somehow wiped out. Even using forget password, it's not recognizing my mail credentials.

History

#1 - 2020-02-26 17:34 - Go MAEDA

- Category changed from Security to Website (redmine.org)

- Status changed from New to Closed

- Resolution set to Invalid

You should not use www.redmine.org for production purposes. The top page says that "All the data here is temporary and may be reset at any time".
