Redmine - Patch #33268
Add missing test: ProjectCustomField creation
2020-04-07 13:32 - Vincent Robert

Status: New
Priority: Low

Category:
Target version: 4.1.2

Description

Hello

I would like to complete the test suite, and add a test about the creation of ProjectCustomFields.

Currently, the functional tests only relate to IssueCustomFields.

Thank you
