Description

the reason for the issue is that total_estimated_hours is missing from queries_helper.rb

the issue can be fixed by changing lines 170 and 241:

diff --git a/app/helpers/queries_helper.rb b/app/helpers/queries_helper.rb
index 2e5b86b6e..a9d8cff6f 100644

@@ -238,7 +238,7 @@ module QueriesHelper

(I already fixed it on my instance)

I'm not exactly sure if subversion supports something like pull requests in git, so i'm opening an issue instead

Go Maeda, is there any reason for why we don't merge this to 4.0.8 as well?

#8 - 2020-04-15 17:04 - Go MAEDA

Marius BALTEANU wrote:

Go Maeda, is there any reason for why we don't merge this to 4.0.8 as well?

This is because I simply didn't want to do manual work. r19702 cannot be auto-merged to 4.0-stable. But I will do it if you or someone think that the fix should be a part of 4.0.8.

#9 - 2020-04-16 18:05 - Marius BALTEANU

- File 33273_4.0.8.patch added
- Status changed from Closed to Reopened
- Target version changed from 4.1.2 to 4.0.8

Attached the patch to back port to 4.0.8 as well.

#10 - 2020-05-02 04:07 - Go MAEDA

Thank you for the patch but the test fails.

Failure:
IssuesControllerTest#test_index_should_respect_timespan_format [test/functional/issues_controller_test.rb:1607]:
<200:00> expected but was
<>.. Expected 0 to be >= 1.

bin/rails test test/functional/issues_controller_test.rb:1598

#11 - 2020-05-02 06:51 - Marius BALTEANU

- Status changed from Reopened to Closed
- Target version changed from 4.0.8 to 4.1.2

Sorry for not running the tests.
- Duplicated by Defect #34775: Total time estimate isn't in the right format added
