Thank you for reporting the issue. I prefer the following fix because filter_id and filter_name are used as a pair at another line in query.rb (source:tags/4.1.1/app/models/query.rb#L1328).

```
diff --git a/app/models/query.rb b/app/models/query.rb
index 6da317514..c41f64cd5 100644
