

Redmine - Feature #33835

Redmine links: Issues: add link for subject

2020-08-10 09:59 - Charles Atkinson

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description			
Using examples from https://www.redmine.org/projects/redmine/wiki/RedmineTextFormattingTextile , please consider adding to ...			
#124			
#124-6			
#124#note-6			
... a new link format which would also display the current subject of the issue, say			
#124:			
#124-6:			
#124#note-6:			
This feature would allow the user to know the subject of an issue link without having to open the link.			
Versions			
root:~# aptitude show postgresql-9.6 grep Version			
Version: 9.6.17-0+deb9u1			
root:/usr/share/redmine# ruby bin/about

redmine_emojibutton		0.4.1	

History

#1 - 2020-08-11 13:29 - Robert Korulczyk

This is already supported by:

##124
##124-6
##124#note-6

#2 - 2020-08-12 07:06 - Charles Atkinson

Thank you Robert

I tried the format (using Redmine version 3.3.1.stable) and it did not work. Also the format is not documented at <https://www.redmine.org/projects/redmine/wiki/RedmineTextFormattingTextile> (the only ## on that page is in the ordered lists section).

What is required to make the format available? Redmine version, plugin, textile alternative ... ?

#3 - 2020-08-12 07:11 - Go MAEDA

- *Status changed from New to Closed*
- *Resolution set to Duplicate*

The syntax has been added in Redmine 4.0.0 ([#29488](#)). Please update your Redmine to the latest version.
