

Redmine - Defect #3386

When a project is copied the sub-project setting is ignored

2009-05-18 23:08 - Mischa The Evil

Status:	Closed	Start date:	2009-05-18
Priority:	Normal	Due date:	
Assignee:	Eric Davis	% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description As discussed on IRC: I've tried the new project-copy feature (r2704) and noticed that the sub-project setting in the copy-view is ignored when the project is actually copied... It always becomes a top-level project...
