<b>Target version:</b>	
<b>Resolution:</b> Duplicate	
<b>Description</b> add ability to filter on <b>blank</b> start and end date fields in Issues panel  Issues may be created without a start or end due date. It would very useful to be able to search for these issues explicitly so that can be updated with a start/end date easily.

Is duplicate of Redmine - Feature #9607: Filter for issues without start date...	<b>Closed</b> <b>2011-11-19</b>

#### History

##### #1 - 2009-07-09 15:22 - Anthony Gerrard

Added issue [#3600](#) as the more generic requirement of this one

##### #2 - 2010-03-09 20:32 - Josh Galvez

[#3868](#) is also related

##### #3 - 2010-07-02 12:10 - Fri Flaj

It's a very easy fix, too. I put a plugin on github that will monkey-patch it in, but it would be easy to add to RM itself

Plugin @ [http://github.com/friflaj/redmine\\_has\\_due\\_date/](http://github.com/friflaj/redmine_has_due_date/)

##### #4 - 2010-07-02 12:20 - Holger Just

- File `3395_add_operators_to_date.diff` added

This patch adds the two operators (all and none) to the date filter type. This is exactly the same as what Emiliano is doing in his plugin above.

##### #5 - 2011-05-06 18:05 - pasquale [:dedalus]

+1

##### #6 - 2011-06-03 09:02 - Etienne Massip

- Subject changed from *add ability to filter on blank start and end date fields in Issues panel* to *add ability to filter on blank start and end, etc. date fields in Issues panel*

- Target version set to *Candidate for next major release*

##### #7 - 2011-09-28 22:31 - Gerry Hawkins

+1

It would tie in nicely with [#6954](#) which also improves handling of dates

##### #8 - 2011-11-24 01:55 - Mischa The Evil

- Status changed from *New* to *Closed*

- Target version deleted (*Candidate for next major release*)

- Resolution set to *Duplicate*

Implemented in [r7841](#), making this issue superseded by issue [#9607](#) (reflected by a duplicates relation for want of anything better).
