History

#1 - 2020-09-18 10:50 - Marco Descher

- Status changed from New to Resolved

This was related to some installed plugins, after removing them setup worked!

#2 - 2020-09-18 11:33 - Marius BĂLTEANU

- Status changed from Resolved to Closed

- Resolution set to Invalid

Thanks for your feedback, closing.

#3 - 2021-05-09 20:56 - Martin Cizek

FYI: This one was related to [#33290](#) rather than specific plugins. The issue is not present on Redmine 4.2.
