#### History

##### #1 - 2020-12-05 16:50 - Marius BĂLTEANU

- File 0001-Add-system-tests-for-inline-autocomplete.patch added
- Category set to UI
- Assignee deleted (Marius BĂLTEANU)
- Target version set to 4.2.0

I've added a first version of the tests. I preferred to have all the tests related to inline autocomplete in the same file instead of splitting them in different files (issues\_test, news\_test, etc).

Any feedback is appreciated.
