Resolution:	Duplicate		
<b>Description</b> I think it's a good feature to implement a per project email notifications settings panel.  Ps - Sorry for my bad english, i'm just a french guy.			
<b>Related issues:</b> Is duplicate of Redmine - Feature #7349: Per-project email notification settings <div>New2011-01-17</div>

I'd take this further. I think users need to be able to set their own defaults regarding which messages to get, and then they need to be able to customize on a per-project basis.
