Probably you have posted this issue on the wrong site. This is the official site of Redmine (https://www.redmine.org/).

Since the issue is not a problem of Redmine but Ruby, I think the appropriate site to post this issue is https://bugs.ruby-lang.org/ .

#2 - 2021-01-19 05:51 - Yuki Snow

- Status changed from New to Resolved

I am sorry I have posted this issue on the wrong site.

, I think the appropriate site to post this issue is https://bugs.ruby-lang.org/ .

And Thank you
