

Redmine - Defect #3472

Role given to a non-admin user who creates a project

2009-06-10 06:37 - Bill Tihen

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Administration	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description			
<p>I am not convinced that Redmine 0.9 main - keeps the new login user permissions. When I edit the setting on the:</p> <pre>Administration -> Settings -> Projects</pre> <p>(http://localhost:3000/settings/edit?tab=projects)</p> <p>and edit the option:</p> <pre>"Role given to a non-admin user who creates a project"</pre> <p>and set the user permission to reporter -- I expect the GUI to show that & not go back to a default setting:</p> <pre>"Please Select"</pre> <p>I am using the version:</p> <pre>edavis10-redmine-97383f78d0347ee1d97d438e35695da7e49eb641.tar.gz</pre> <p>Information</p> <pre>Redmine 0.8.0.devel (SQLite) Default administrator account changed True Attachments directory writable (/Users/bill/Desktop/Redmine/redmine-0.9-20090608-1605/files) True Plugin assets directory writable (/Users/bill/Desktop/Redmine/redmine-0.9-20090608-1605/public/plugin_assets) True RMagick available (optional) \$ ruby script/about About your application's environment Ruby version 1.8.6 (universal-darwin9.0) RubyGems version 1.3.3 Rails version 2.2.2 Active Record version 2.2.2 Action Pack version 2.2.2 Active Resource version 2.2.2 Action Mailer version 2.2.2 Active Support version 2.2.2 Application root /Users/bill/Desktop/Redmine/redmine-0.9-20090608-1605 Environment development Database adapter sqlite3 Database schema version 20090503121510 About your Redmine plugins Redmine Question plugin 0.3.0 Stuff To Do Plugin 0.3.0 Project Scores Plugin 0.0.1</pre>			

Associated revisions

Revision 2786 - 2009-06-13 11:32 - Jean-Philippe Lang

Fixes drop-down list selected value (#3472).

History

#1 - 2009-06-13 11:32 - Jean-Philippe Lang

- *Category set to Administration*
- *Status changed from New to Closed*
- *Resolution set to Fixed*

Actually, the setting was saved. It's fixed in [r2786](#).
