Redmine - Feature #3473

Can Redmine support notification when a issue will be overdue?

Resolution:			

Description

Redmine is very good product and I am now using it. I think if it could support email notification when a issue will overdue, it would be more better.

Extraly, for the update of news/document/issues, a choice for customer to decide whether notify wather or not is perfect.

Dear all,
I searched this site and find redmine:send_reminders is the solution for me.
So this feature is resolved. Thanks everyone.
