

Redmine - Defect #3476

Right-floating TOC funky in the roadmap

2009-06-10 19:52 - Brad Beattie

Status:	Closed	Start date:	2009-06-10
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	No feedback		
Description			
See attached screenshot. If a version's wiki page has a right-floating table of contents, it's very oddly placed.			

History

#1 - 2013-01-14 09:43 - Daniel Felix

- Status changed from New to Needs feedback
- Affected version (unused) deleted (devel)

Hi,

I tried to verify this. But it seems to work proper in IE9, FF 17 and Chrome 23. It looks the same on each browser.

Well someone could give some feedback on this in IE8, IE10 or other FF/Chrome Versions. Otherwise this seems to be resolved and could be closed.

Best regards,
Daniel

#2 - 2015-08-23 17:25 - Jan Niggemann (redmine.org team member)

- Status changed from Needs feedback to Closed
- Resolution set to No feedback
