

Redmine - Feature #35365

Allow sending account information when importing users

2021-06-08 02:50 - Go MAEDA

Target version:	5.0.0		
Resolution:	Fixed		

Description

Currently, the user import feature ([#33102](#)) does not have a feature to send account information to newly created users. Since there is a "Send account information to the user" checkbox when adding users one by one from the web UI, I think there should be the same kind of feature for importing from CSV.

The "Import users" screen already has a "Send email notifications during the import" checkbox ([#22771](#), currently not working when importing users). I think it would be better if the account information is sent when this checkbox is turned on.

+1

"Send email notifications during the import" checkbox didn't work, but it works with the following patch.

```
diff --git a/app/models/user_import.rb b/app/models/user_import.rb
index 71407c14e..609c9b078 100644
--- a/app/models/user_import.rb
+++ b/app/models/user_import.rb
@@ -115,4 +115,8 @@ class UserImport < Import
   object.send(:safe_attributes=, attributes, user)
   object
 end
+
+ def extend_object(row, item, object)
+   Mailer.deliver_account_information(object, object.password) if yes?(settings['notifications'])
+ end
end
```

#2 - 2021-06-22 04:17 - Go MAEDA

- Target version set to Candidate for next major release

#3 - 2021-06-30 14:33 - Go MAEDA

- Target version changed from Candidate for next major release to 5.0.0

Setting the target version to 5.0.0.

#4 - 2021-07-03 11:46 - Go MAEDA

- Subject changed from *Allow sending account information to the user when importing users* to *Allow sending account information when importing users*
- Status changed from *New* to *Closed*
- Assignee set to *Go MAEDA*
- Resolution set to *Fixed*

Committed the patch. Thank you for your contribution.

Now you can send account information if you check the "Send email notifications during the import" checkbox on the user import dialog.
