Description
Any chance of listing the menu bar's projects menu in alphabetical order?

History

#1 - 2007-05-22 21:57 - Damien McKenna

Would this do it?

```
-    <% @logged_in_user.memberships.find(:all, :limit =>
20).each do |
membership| >
+    < @logged_in_user.memberships.find(:all, :limit =>
20, :order =>
'name').each do |membership| %>
```

Basically add
:order => 'name'
to the find arguments?

#2 - 2007-05-23 13:20 - Jean-Philippe Lang

Committed in rev 538.
Modification was done at model level instead.
