History

#1 - 2021-06-14 11:35 - Holger Just

- Status changed from New to Needs feedback

Please describe your issue with more details. If you are seeing an error, please show this exact error (from a verbatim log entry or at least a screenshot). Please also describe:

- what specific action you are performing
- which result you would normally expect from this action
- what you are seeing instead (please be specific!)
- and how the result you are seeing deviated from your expectations.

#2 - 2021-07-01 11:49 - Go MAEDA

- Is duplicate of Defect #34982: Cannot change the default version and default assignee under settings added

#3 - 2021-07-01 11:49 - Go MAEDA

- Status changed from Needs feedback to Closed

- Resolution set to Duplicate

The issue has been fixed in Redmine 4.2.1 ([#34982](#)).
