Redmine - Feature #35760

Add a fallback-mechanism to Version#due_date similar to Version#start_date

2021-08-14 11:52 - Mischa The Evil

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:	Mischa The Evil	**% Done:**	0%
Category:	Roadmap	**Estimated time:**	0.00 hour
Target version:			
Resolution:			

Description

This is extracted from #15180#note-19 as it's out-of-scope for that issue and can be a useful feature on its own independent of the implementation of #15180.

Sebastian Paluch wrote in #15180#note-19:

> [...] How would all that align with "due date" behavior? The due data is now independent from issues. Should it be also changed in the way for consistency?
