# Redmine - Feature #35770

Change "Edit" label in the context menu to "Bulk Edit" when multiple issues are selected

2021-08-17 04:11 - Mizuki ISHIKAWA

Target version:	5.0.0		
Resolution:			

Description

I hadn't noticed that I could bulk edit issues and time entries for a long time.
I think it would be easier to notice the existence of the bulk edit feature if the edit button was displayed as "Bulk Edit" only when multiple elements are selected in the context menu.
Currently, it is always displayed as "Edit".

That's fine too.
I have attached a patch that uses the new label_bulk_edit term.
