### Description

On the roadmap page, it would be convenient to show links to Calendar and Gantt on the right-side area, as is done with other pages like Issues.  Roadmap actually seems like the most natural place to link to Calendar/Gantt.

## History

**#1 - 2010-10-04 05:12 - Mischa The Evil**

*- Category set to Roadmap*

**#2 - 2019-02-03 07:33 - Go MAEDA**

*- Status changed from New to Closed*

*- Resolution set to Wont fix*

Gantt and calendar links in the sidebar of issues page have been removed in r16078 (Redmine 3.4). Please use the project menu.
