

Redmine - Defect #36059

Fulltext search in timelog comments

2021-10-27 16:34 - Jan K.

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Search engine	Estimated time: 0.00 hour
Target version: Candidate for next major release	Affected version:
Resolution:	
Description	
<p>The Redmine Fulltext search is a great feature. We use it all the time.</p> <p>Unfortunately it does not search in the Comments of the Timelogs.</p> <p>Is there any chynce to add this datasource to the fulltext search?</p>	

History

#1 - 2022-02-10 02:43 - Yuichi HARADA

- File *add-spent-time-to-search.png* added

- File *36059.patch* added

I fixed it so that comments on spent time can be searched. I have attached a patch.
