

Redmine - Patch #3608

migrate_from_mantis encoding patch

2009-07-11 12:07 - Mykhaylo Sorochan

Status:	New	Start date:	2009-07-11
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Importers	Estimated time:	0.00 hour
Target version:			
Description			
Encoding was not set for database connection			

History

#1 - 2009-07-13 08:33 - Mykhaylo Sorochan

- Assignee set to Jean-Philippe Lang

#2 - 2009-07-13 08:35 - Mykhaylo Sorochan

The idea in general to pass "encoding" as the parameter to database connection. So it should be either done this way or a separate additional **:encoding** parameter should be added to **dp_params**

#3 - 2009-07-13 08:36 - Mykhaylo Sorochan

... additional :encoding ...

#4 - 2009-07-13 09:26 - Mykhaylo Sorochan

- File *migrate_from_mantis.rake.patch* added

This one seems to me to be more correct.

#5 - 2011-03-24 10:44 - Toshi MARUYAMA

- Category set to Importers

- Assignee deleted (Jean-Philippe Lang)
