*Hi there,*

*I wrote a plugin which allow:*

- registering contracts of the users*
- converting estimated hours and spent hours into money amount*
- registering budgets and expenses per project*

*If this plugin help your organization, I'm happy w*

Thanks!!!

I'm going to test it

Is compatible with Redmine 4.2?

#### #2 - 2021-11-24 00:37 - Anonymous

Nop. Written on 4.1 and not tested on 4.2, But if the Query API is not changed drastically, should work on it.

Also please note that contract types are hard coded in the object based on Japan's legislation and may be incompatible with yours.
