Do you use some plugins?

I suspect that the old label is used by a third-party plugin. If so, the plugin should define label_all_time for Redmine 4.1 or later.

We use the following plugins:

```
Redmine plugins:
redmine_gitlab_hook      4.0.0
redmine_spent_time       4.0.0
sortable_table           0.99
```

I guess it is the redmine_spent_time plugin. I will check an open an issue for the plugin's project.

- Status changed from New to Resolved

The plugin redmine_spent_time still uses this label: Opened a pull request for the plugin: https://github.com/eyp/redmine_spent_time/pull/121

#4 - 2021-11-13 07:30 - Go MAEDA

- Status changed from Resolved to Closed

- Resolution set to Invalid

Thank you for the feedback. Closing.
